with that, Mr. Speaker, I would ask for the adoption of the committee amendments.

SPEAKER NICHOL: Okay, do you have an amendment to the committee amendments, Mr. Clerk?

CLERK: Well, Mr. President, Senator Lamb has filed an amendment to the committee amendments. I don't believe...I don't think copies have been distributed. They have been distributed, I'm sorry. (See pages 1371-1372 of the Legislative Journal.)

I would ask that the amendment to the amendment be adopted.

SPEAKER NICHOL: Senator Landis, did you wish to speak to Senator Lamb's amendment to the amendment?

SENATOR LANDIS: I just want to signal that I think Senator Lamb's amendment is a good one. It's reasonable. It's been done, it's been worked out with the interested parties and
